

Suburban\_way

Why

Make any area great again

More safe, secure and just

More balancing opposite forces and include all citizens

Build a co-creating future oriented mindset that involves people and individuals

More human, collectively intelligent participation

Requirements

Freedom of Speech - it must be absolute

All minds matters - even the outermost extreme thoughts on any side or view is of value

People love and hate - people must be allowed to both love and hate

Focus wat matters - define levels of areas that are more important and prioritised

Suburban

Any society

Individuals

Constraints

Any Society can get value-add by re-using Suburban structure and contribute to evolve the Suburban structure

Any sized society will have different ambitions, legal, apply laws of the focus areas

Some areas are will emerge to be more important than others with different priority.

Ex. establish a Common ground for making sure the society is safe, secure and justified.

Execution and enforcement needs to be monitored, needs to be measured by its perfomance and outcome different
